ARRA Statement

Lighting Services Inc, with its Sales, Engineering and Manufacturing headquarters located in Stony Point, New York, is an independently owned and operated "American Manufacturer". All LSI products are fabricated, painted, assembled, and shipped from this facility.

Section 1605 of the American Recovery and Reinvestment Act of 2009 (Recovery Act; Pub.L.111-5) requires that funds made available for construction projects require all of the iron, steel and manufactured goods used in the project be produced in the United States.

Under the guidance set forth by the Department of Energy, Lighting Services Inc fully complies with the definition of "manufactured goods", which are "Produced in the United States".

For additional information on requirements set forth in the ARRA Act of 2009, please visit the following web-sites:
