

## ARCHLight SLOT Specifications

## Preliminary Data Sheet

The ARCHLight SLOT is an architectural slot system that integrates one or two LSI track runs for power and/or data distribution. Designed to provide a clean ceiling plane in 5/8" sheetrock with a flangeless knife edge extrusion. The LZ ZOOM with long (14") and short (9") articulated yoke are compatible fixtures.

Sold in 1 FT , 2 FT, and 4 FT sections as straight run only configuration. Options include vented or Chicago plenum.

Consult factory for other configurations, sizes and options.
