

## LZTW ZOOM Tunable White Specifications

## Preliminary Data Sheet

The LZTW ZOOM tunable white luminaire is a compact, spotlight designed with zoom functionality enabling a smooth, uniform field adjustable beam spread from a 10degree narrow spot to a 50 degree beam. Tunable from 2700K to 6500K at 92CRI.

Color temperature (CCT) and intensity can be controlled manually via (6) position switch and potentiometer in the fixture fitting: (2) Zones of 0-10V control, or (2) DMX channels: (1) for intensity and (1) for CCT.

SOURCE	Tunable White COB
VOLTAGE	120-277
WATTAGE	19W
Lumen Output (Module)	1500 Lumens
COLOR TEMPERATURE	2700K – 6500K
OPTICS	ZOOM, 10-50 Degrees
CBCP @ 10 DEGREES	10,500
LIFE	50,000 HRS
SUSTAINABLE	SUP Kit Available
WEIGHT	4 LBS
DIMMING PROTOCOLS	Phase Dimming, 0-10V, DMX
ACCESSORY CARTRIDGE	Internal
BARNDOOR	Option
HOOD	Option
ESTIMATED AVAILIBLY	Q2 2024
